

The Center for Inclusive Education presents:

Science and Proposal Writing Workshop with Dr. Geoffrey Weiss Saturday, January 28, 2012

8:30 AM—4:30 PM

**A one day
workshop to
increase your skills in:**

- *Understanding grant solicitations, framing your publication/thesis/dissertation chapter*
- *Brainstorming and developing a strong project idea*
- *Understanding review panel feedback*
- *Improving your overall composition skills*
- *Revising carefully, editing purposefully*

Dr. Weiss is a Grants Development Officer at Hanover College and Writing Consultant at the University of Kentucky/NIGMS "Get Funded" Program. He has conducted Science and Proposal Writing workshops for graduate students at multiple institutions.

**Don't miss this exclusive opportunity for CIE students.
Spaces are limited to 20 participants.**

Applications are due Wednesday, January 18
